

# Securing a more sustainable future

For more than 125 years, Allianz Life has made promises people depend on for the rest of their lives.

This is why sustainability – which focuses on planning and managing for the long term – is so fundamental to our business, and helps us deliver on our mission: We secure your future.

For us, this means we take care of our community, our business, our people – and our world.

## See how we worked to accomplish this in 2023:

### Our community

We are committed to greater economic inclusion and enabling pathways to long-term financial security for people in the Twin Cities community and beyond.
